PRESS RELEASE

Luther appoints Philip Goldsborough as Head of International

Cologne, 01.10.2026 – Luther, one of Germany's leading law firms and a founding member of the European legal network unyer, has appointed Philip Goldsborough as Head of International with effect from 1 October 2026. In this role, he will focus on expanding Luther's presence in the US and UK markets.

Philip Goldsborough is a UK corporate lawyer with 30 years of experience, including 20 years as a corporate partner at leading national and international UK law firms. Over the course of his career, he has built an extensive network of relationships with corporates and corporate advisory firms across the US and the UK.

Over the past two years, Philip Goldsborough has already advised Luther and accompanied its partners on business trips to the US. His appointment formalises and deepens this successful collaboration.

As Head of International, he will support Luther in further developing its international strategy, with a particular focus on the US and the UK. His responsibilities will include designing a strategic market approach for both countries and driving targeted business development and networking activities.

“Philip has been a trusted adviser and long-standing friend and colleague of our firm for almost twenty years. His experience and his relationships in the US and UK are exceptional, and we are very pleased to have him on board as Head of International”, say Florian Schulz and Stefan Galla, Managing Partners of Luther.

Philip Goldsborough commented: ”Luther is a firm I have known and admired for twenty years, and working closely with its partners over the past two years has only deepened my respect for the quality of the firm and its people. This appointment feels like a natural next step and I look forward to helping Luther capitalise on what is a genuinely significant opportunity in the US, the UK and wider international markets."

Luther and Philip Goldsborough look forward to working together to build a strong presence for the firm in the US and the UK.
